President and Professor of the Vladivostok Polytechnical University. Owing to political conditions in Russia in 1921, Professor von Weimarn came to Japan. He completed a series of lectures at the Imperial Universities of Tokyo, Kyoto, and Sendai and in 1922 he accepted a post with the Imperial Industrial Research Institute of Osaka, as head of the newly organized Colloidal Department which position he held until April 1931. During the years, 1922-1927 he also directed Colloidal Research work at the Imperial University of Kyoto.

The Colloidal Society was founded in Germany in 1922 and numbered among its members, scientists of

## SLIGHT DROP IN N.Y. COTTON PRICES

(Nippon Dempo-United Press)  
NEW YORK, October 5—Quotation ranged from six to 11 points lower than yesterday's last prices at the close of trading on the New York Cotton Exchange today as result of a heavy selling movement caused by the weakness of stocks and grains.

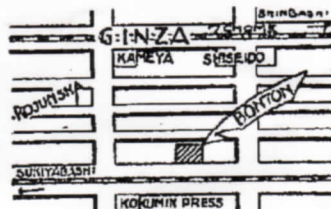

Unfavorable weather in the Cotton Belt where the 1932-33 crop is growing and generally bullish reports regarding the new crop were over-

thought the real undertone of the market is fairly firm.
